INDEPENDENT AUDITORS' REPORT

To: The Board of Directors of
Futures and Options, Inc.

We have audited the accompanying financial statements of Futures and Options, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Futures and Options, Inc. as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

FUTURES AND OPTIONS, INC.
NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies

The Organization

Futures and Options, Inc. (Organization), a not-for-profit organization, was incorporated in the State of New York on March 16, 1999. The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal, state or local income taxes has been recorded. The Organization does not believe its financial statements contain any uncertain tax positions. The Organization primarily receives its support from contributors in the New York City area and from special events.

The Organization's Career Development programs provide New York City teens, primarily high school students, with career-readiness training workshops and paid mentored internships at private and nonprofit businesses and government agencies, and monitors and evaluates the interns' progress.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Change in Accounting Principle

On July 1, 2019, the Organization adopted FASB ASU 2014-09 *Revenue from Contracts with Customers* using the full retrospective approach. Analysis of various provisions of the standards resulted in no significant changes in the way the Organization recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

Use of Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Receivables

Receivables that are expected to be collected within one year are recorded at their net realizable value. Receivables that are expected to be collected in future years are recorded at the present value of estimated future cash flows. All receivables are expected to be received within one year and as such have been stated at their net realizable value with no allowance for uncollectable contributions.

FUTURES AND OPTIONS, INC.
NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Continued)

Property and Equipment

The Organization capitalizes certain property and equipment with estimated lives of three years or more. Property and equipment are stated at cost, less accumulated depreciation. Depreciation of equipment is computed by the straight-line method over estimated useful lives ranging from three to ten years. Furniture and fixtures are depreciated by the straight-line method over the estimated useful lives of seven years. Leasehold improvements are depreciated by the straight-line method over the life of the improvement or the term of the lease, whichever is shorter. Expenditures for repairs and maintenance are charged as an expense, and major renewals and betterments are capitalized.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. This classification includes net assets designated by the board or management for a specified purpose.

Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature (endowment), where the donor stipulates that resources be maintained in perpetuity.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The Organization allocates salaries, payroll taxes and benefits, consultants, and professional fees based on estimated time and effort. Other expenses, such as postage, printing, depreciation, recruitment and training, marketing and development, office expenses, rent and utilities, and telephone and communications, are allocated based on usage. The Organization classifies expenses, which are not directly related to a specific program, as Management and General expenses.

FUTURES AND OPTIONS, INC.
NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Continued)

Revenue Recognition

The Organization recognizes contributions when cash, noncash assets, or unconditional promises to give are received. Conditional promises to give, which have a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Certain government grants are conditioned upon the incurrence of allowable qualifying expenses in compliance with specific grant provisions. At June 30, 2020 and 2019, government grants totaling \$0 and \$37,300, respectively, have not been recognized in the accompanying statements of activities because the conditions on which they depend have not been met. At June 30, 2020 and 2019, the Organization did not have any other conditional pledges that were not recognized.

Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as revenue with donor restrictions and increases in net assets with donor restrictions. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increases in net assets without donor restrictions. When a restriction expires (either a stipulated time period ends or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions.

Program service revenue relates to fees received in exchange for program services and consists primarily of internship and career development program management fees and intern wage reimbursements. Revenue is recognized when the program service is provided. Any revenue received which has not been earned is recorded as deferred income.

The Organization receives special events revenue which contains both an exchange component and a conditional contribution component. Both components are recognized when the event takes place. Any event revenue received in advance of the event is recorded as deferred income.

The Organization receives grants from governmental agencies. Depending upon the terms of the grant, it can be either an exchange transaction or a contribution. In accordance with grant provisions, the grant can be an expense reimbursement grant which requires that approved expenses be incurred prior to reimbursement by the grantor. Other grants permit advances of grant funds or full payment of grant funds at the start of the grant. If the grant is an exchange type grant, all unreimbursed expenses, for approved purposes, as of year-end are recorded as receivables and any unexpended advances are recorded as refundable advances. If the grant is a contribution, it is recognized in accordance with the contribution recognition policy described above.
